Why give to HeatShare?

When you give to HeatShare, you are helping warm the lives of the elderly, disabled and others who have nowhere else to turn. HeatShare is a last resort for many who have no other resources available to safely get them and their families through the winter.

Administered by The Salvation Army, HeatShare is a voluntary program that helps the needy survive our long, Minnesota winters by providing funds for heating bills and heating-related repairs.

Who benefits from HeatShare?

- ❶ Senior citizens 65 years of age or older with low, fixed incomes and no alternate source of help.
- ❷ Those disabled by physical limitations and/or health problems, restricting their ability to maintain income to cover energy bills adequately.
- ❸ Those who have had an unexpected emergency within the last 90-120 days and as a result of the emergency cannot pay energy costs.
- ❹ Those who meet income guidelines and have received or applied for all other possible public funds.

Who supports HeatShare?
